

Beginners Iridology

Your Health Through Your Eyes

"It is now known that eyes are a mirror of our physical emotional health. Acting as the body's yellow pages, they function as an accurate index of what is occurring in the body"

- Dr. Jacob. Hibermitn

"In ancient cultures the eye was considered the gateway to the soul, and to the physician today, the eye serves as a window through which the state of health can be readily observed"

- Patrick D.Trevor-Roper

"To know others is wisdom, to know oneself is enlightenment"

- LAO TSU

Would you like to:

- Clear your health issues before they occur?
- Gain insight into weak and strong areas of your body?
- Design a lifestyle around this information?

You will learn to:

- Interpret signs in your own and others Irises.
- Understand the meaning of different colours of the Iris.
- Learn about the different structural and emotional types.
- Identify areas that are stressed and vulnerable.
- Determine genetic predispositions.
- Stop potential problems from occurring by knowing where your weakness areas lie.

A 5 week **course** will take place in September 2024
